

PAVUS, a.s.
Authorized Body 216
Prosecká 412/74, 190 00 Praha 9 – Prosek, Czech Republic
Decision on Authorization No. 3/2018 from 24th October 2018

P R O D U C T C E R T I F I C A T E

No. 216/C5a/2020/0146

issued for

manufacturer:

TRITÓN Pardubice, spol. s r.o., č.p. 130, 530 02 Starý Mateřov, IČO 60110422

place of manufacture:

TRITÓN Pardubice, spol. s r.o., č.p. 130, 530 02 Starý Mateřov

product country of origin:

Czech Republic

Authorized Body 216 confirms, pursuant to article § 5a of Government Order No. 163/2002 Coll., which lays down technical requirements for selected construction products, as amended by Government Order No. 312/2005 Coll. and Government Order No. 215/2016 Col. (hereinafter referred to as Government Order No. 163/2002 Coll.), that in case of the construction product:

Cable support systems Tritón Pardubice

Cable runways with circuit integrity maintenance under fire conditions

The Authorized Body AB 216 has reviewed documents submitted by the manufacturer, performed the initial type testing of the product specimen and initial audit in the place of manufacture, assessed the factory production control by the manufacturer and has found out that this product fulfils the requirements determined by technical regulations that relate to the essential requirements given in the Construction Technical Approval No. S-216/C5a/2020/0146 dated 8th October 2020 issued by the AB 216 with validity until 31st October 2023 (hereinafter referred to as "CTA").

The Authorized body 216 has found out, that the factory production control by the manufacturer complies with the appropriate technical documentation and ensures that the products placed on the market meet the requirements laid down in the above-mentioned CTA and comply with the appropriate technical documentation according to article § 4, paragraph 3 of the above-mentioned Government Order.

An integral part of this product certificate is the Certification Report No. P-216/C5a/2020/0146 dated 13th October 2020, which contains conclusions of findings, verifications, test results and general description of the certified product, necessary for its identification.

This certificate remains valid as long as the requirements stated in the CTA referred to hereinabove or the production conditions in the place of manufacturing and factory production control of the products by the manufacturer, are not significantly modified or the Authorized Body does not amend or cancels the certificate.

The Authorized Body AB 216 performs surveillance of proper factory production control by the manufacturer and assessment that product performance complies with CTA according to article § 5a paragraph 2 of Government Order No. 163/2002 Coll. at least once every 12 months.

The Authorized Body will issue a report on the evaluation of the audit and will forward it to the manufacturer.

Prague, 13th October 2020

Jaroslav Dufek

Managing Director of PAVUS, a.s. - AB 216

Assessed performances of the certified product are stated on the other side of this certificate.
